Every year the Program Committee tries to schedule activities that our members can enjoy beyond the monthly meeting schedule. **If you did not participate** in any of these activities, it would be helpful if you would tell us why. Check all that apply.

4) Media

Why do you refer to the Newsletter and/or Website?

- To see which program is happening next month
- To figure out how to prepare for the next meeting (fat quarter color, refreshments, etc.)
- To look at guild photos
- To find out what is happening around the quilting world
- Other _____

- I don't look at the Newsletter
- I don't look at the Website

Is there anything that would make the newsletter and/or website more useful and interesting to you? Please be specific.

5) Possible Meeting Format Change

A suggestion was made recently to change the format of our meetings when we have an outside speaker and let the speaker go first. Then after the speaker is done, we can have our short break and then have the business part of the meeting, do our drawings, etc. and not make the speaker wait through all our business (unless they want to wait and vend their wares, etc.). Please indicate which format(s) you would prefer, especially when we have an outside speaker:

| Format | Yes | No |
|---|-----|----|
| Speaker first, break, guild business | | |
| Guild business first, break, speaker (what we do now) | | |
| Speaker first, NO break, guild business | | |
| Guild business, NO break, speaker | | |
