

Creative Quilt-works January 2018-Kristin, Ellen, Lynda
Paper Pieced Heart:

Directions:

Copy the paper foundation for more than one heart square before you begin.
If downloaded from your computer use actual size print setting or check the finished block to see if it measures 4.5 inches (inner solid line).
You will sew fabric directly to paper foundation.

Cutting directions:

Cut A1 2 ¼ x 2 ¼ inches out of background fabric/white
Cut A2 3 x 2 ¼ inches out of colored fabric/red
Cut A3 2 ¼ x 2 inches...white
Cut A4 3 x 4 ½ ...red
Cut A5 2 ¼ x 2...white
Cut A6 2 ½ x 4...white
Cut A7 2 ½ x 4 white

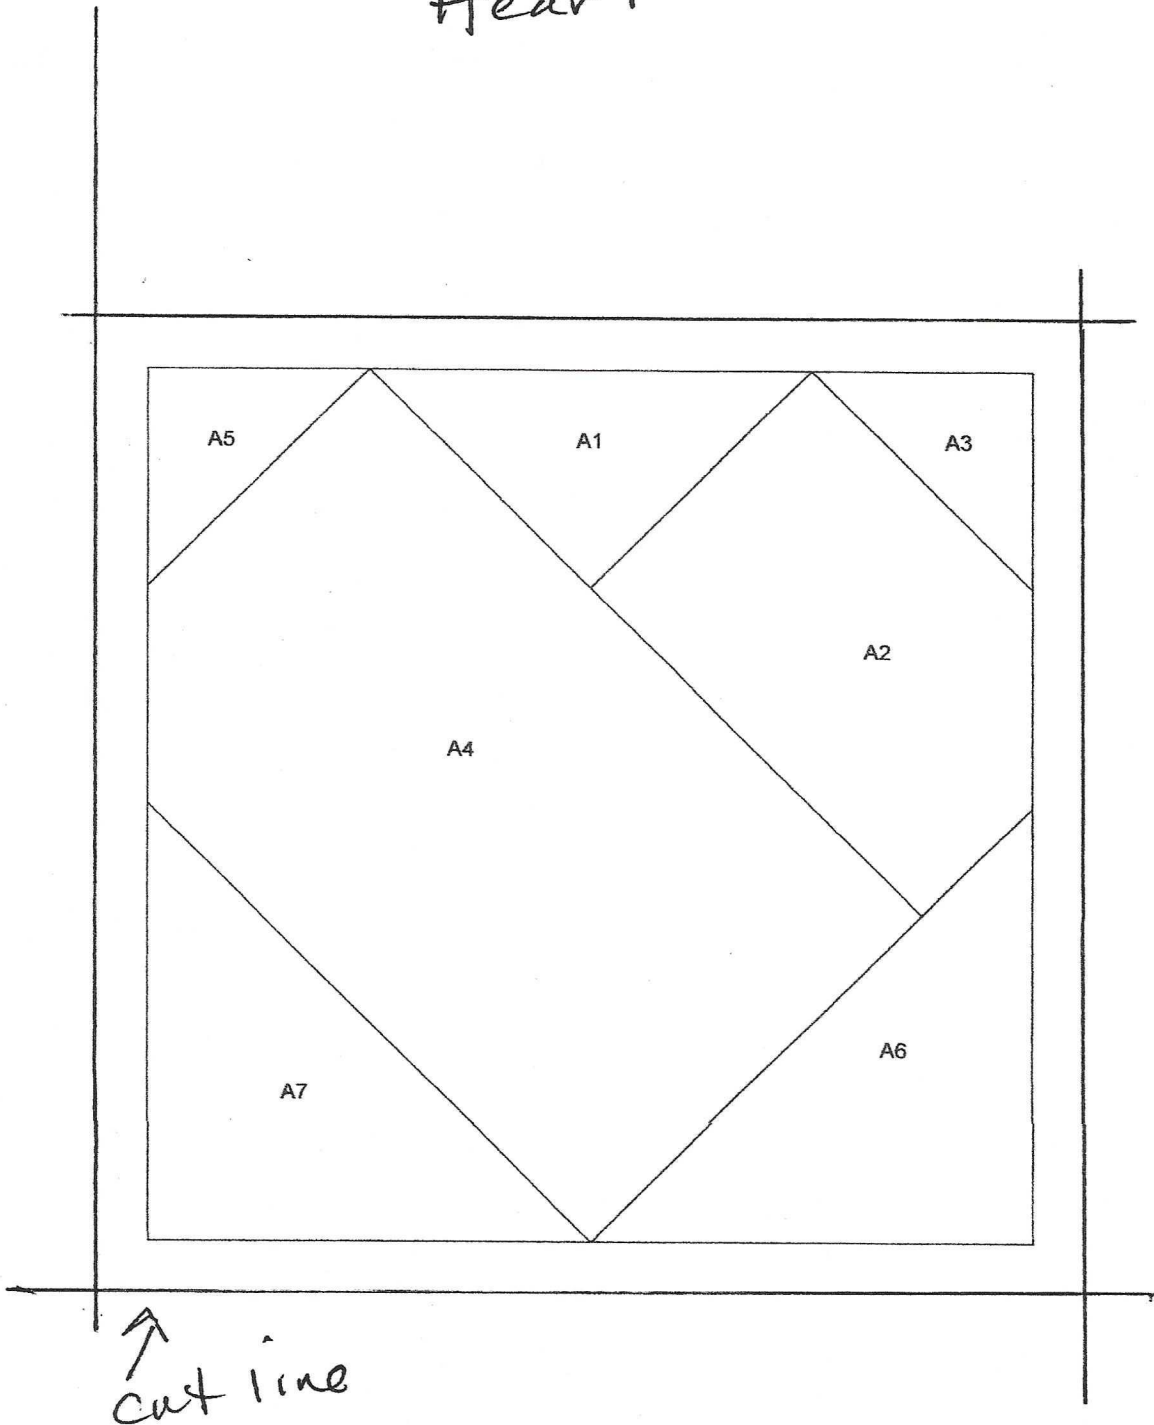

Sewing Directions:

Place fabric A1 on the unprinted side of the paper with the right side facing you (not the paper), holding the paper up to the light to make sure all of A1 is covered.
Place fabric A2 with the right side facing the white, a quarter of an inch over the line between A1 and A2. Sew along the line (test flip first to make sure it will cover all of A2).
Flip and press.
Repeat with next pieces in order.
Trim on outer solid line.
Inner solid line is ¼ inch seam for finished block.

Use one or more in your February creation and bring to the next Guild meeting.
