

Creative Quilt-works September 2017-Kristin, Ellen, Lynda

Template is for a yo-yo. This can be cut out of a 5 inch square, or any scrap fabric. Fold over scant $\frac{1}{4}$ inch hem and create a running stitch with sturdy thread. Pull tight and knot. Yo-yo will measure about $1\frac{7}{8}$ ".

Please create a project to bring to the October meeting for a peer review vote. First second and third prize winners will be chosen along with a drawing from the entries for a prize.

Tutorials can be found on You-tube and Google.

Clover makes a wonderful assortment of templates that you sew through to get a perfect finished yo-yo.
